Map of Halls

Finding suitable and affordable halls in Hamilton proved to be impossible so we have moved to the countryside on the northern boundary of Hamilton. We are pleased to report all of our halls have wooden floors suitable for dancing and are within 10 minutes' drive from our base in Horsham Downs.

We look forward to seeing you in **Hamilton**

Full School cost is $190.
Please register online via the link on the website at

With both Elementary and Intermediate classes offered, please think about sharing a weekend school experience with newer dancers from your club.
