

Gaye has a great passion for teaching and devising dances and is truly looking forward to this day.

For all those that attend the classes it will be a delightful experience to learn some of the dances that Gaye has devised.

It is always great to understand how it was meant to be danced and what inspired the dance, and who better to tell us than Gaye!

Dance Scottish Canterbury Region

Presents

A Day with Gaye Collin

Saturday 29 March 2025

At

St Peter's Church Hall

Fisher Avenue, Beckenham, Christchurch

There will be two classes scheduled on the day with a lunch break between. The details of the classes are below.

A General Class:

This is open to all dancers that are up to speed with all the basic formations, so you need to have been dancing for at least 2 years.

The Advanced Class:

Dancers in this class need to know all the RSCDS formations and can dance them independently (without assistance). Formations like a 3C Bourrel or 3C Set and Rotate, Espagnole, Spoke etc. This is important as on the day there will be formations that dancers haven't tried before as Gaye has some original moves in her dances.

In the coming months, more information will be available.
