Information

October's class is the last one for 2024 to be run at the Scottish Society Hall, Christchurch, helping dancers raise the level of their dancing, and get more from their social activity. As highlighted previously, each school builds on the lessons learned in the previous class, thus allowing dancers to progress their dancing ability. But this should not deter dancers from attending only one or both of the remaining 2024 classes, or just the evening social dance on the Saturday night(s).

Teachers for October :

Graeme Plank - Advanced (Tam O'Shanter Chch)

Hazel Fish - Development (Waimate)

Classes

- ★ *Development* – for those who are new to dancing or who have been dancing for a period but sometimes need reminders about basic formations (e.g., reels of three on the side) and progression, and who are keen to learn more and to develop their dancing.
- ★ *Advanced* – for those who have a good knowledge of the basic steps, the usual formations, the importance of phrasing and teamwork, and are keen for some challenges and are striving to be at the top of their game.

The theme for the year is for everyone to improve their technique while applying the model defined by the founder, Dr Milligan: *Attaching importance to good standards of dancing while emphasizing the social character of Scottish Dancing. Above all, it should be enjoyable, offering plenty of opportunity for friendship, fun and fitness.*

Music

There will be live music in all classes and the full band for the evening dance.

Venues
