CLASS GUIDELINES

Please read the information below & choose your class carefully. If you are unsure which class is appropriate for you, please consult your regular teacher & read the guidelines on our website.

TECHNIQUE CLASSES

These will be **SERIOUS TECHNIQUE** classes concentrating on footwork & formations with most of the dances being from RSCDS books. You must be physically fit to take part in these classes.

• INTERMEDIATE

For dancers who have only been dancing for a few years & who wish to improve their technique focussing on footwork, giving of hands, phrasing etc.

ADVANCED

For experienced dancers who want to improve their knowledge of all points of technique. This will be a **high impact** class.

VERY ADVANCED

For dancers who dance at a **very high level** with excellent footwork, technique & knowledge of formations. This will be an **energetic high impact** class.

LOW IMPACT CLASSES

These classes are for dancers who no longer wish to do concentrated work on steps. There will be two classes:

ADVANCED LOW IMPACT

For dancers who have achieved a high level of dancing & now wish for a gentler class. The technique will be more about phrasing & giving of hands rather than footwork.

SOCIAL LOW IMPACT

For the experienced dancer who would like to relax & enjoy social dancing.

REST & BE THANKFUL

For the dancer who no longer wants to attend morning classes but wants the choice of attending afternoon & evening sessions.

NB. The Committee will consider your choice & endeavour to place you in your class of choice but they reserve the right to place you in the class they think is most appropriate for you and others.
