Proposed new book of NZ dances

The New Zealand Branch will be 60 years old on 1st January 2028.

To mark our Diamond Jubilee year, we are inviting each Region to devise **three** dances (two quick-time and one strathspey) to contribute to a brand new book.

If you have a dance that's been percolating in your mind, now's your chance to bring it to life. Anyone can participate, including our Junior members, and you as a region get to make the selection of dances you will submit.

The dances must not have been previously published.

In addition, the region or the deviser may like to invite a local musician to compose the lead tune for their dance, or suggest a tune. The finished book will be available for pre-order from Summer School 27/28, price to be announced.

Send your submissions to the NZ Branch Secretary by the end of June 2027

Also, a competition will be held for Junior members to create the artwork for the front and back covers of the book. Watch out for more information coming soon from Youth Coordinator, Jeanette Lauder.

And, something else to think about … your region may like to plan a local event to celebrate this milestone of 60 years. Perhaps a region
dance?

Remember, a region grant of up to $500.00 is available every two years to support such events. Applications for a grant should be submitted by **31 December** for consideration and award at Summer School.
