The Jamboree Jig

An 8x32 jig for 3 couples in a 4-couple longwise set

Isobel Harris Clark

1-8 1st and 2nd couples dance a double figure of eight. 1st couple begin by crossing down and 2nd couple begin by casting up.

9-16 1st couple change places with 2nd couple on the sides, women giving left hand and men giving right hand. 2nd couple, followed by the 1st couple who dance up the sidelines, meet and dance down the middle of the set and cast up around 3rd couple. 2nd couple rejoin nearer hands and dance to first place and face out, while 1st couple dance up the sidelines to second place and face in.

17-24 2nd, 1st and 3rd couples dance mirror reels of three on own sides, 1st couple dancing in and up to begin. Supporting couples can loop into places as necessary.

25-32 1st woman with 2nd couple and 1st man with 3rd couple dance right hands across once round, 1st couple passing by right at the end. 1st man with 2nd couple and 1st woman with 3rd couple dance left hands across once round (aka teapots!).

Repeat, having passed a couple.
